Distance / Online Course and Certification in Computer Application, Information Technology, Cyber Forensics etc...Cyber forensic experts gather evidence and establish credible audit trails of electronic wrongdoing. They identify, gather, document and preserve evidence of electronic tampering and misuse. When those assets come under attack, cyber forensic professionals gather electronic evidence of such misuse and utilise that evidence to bring to justice those who are responsible For more Information Visit- www.ifs.edu.in OR www.ifs.ac OR http://www.forensic.co.in/education/fee.htmlBROCHURE- http://forensic.co.in/education/IFS.EDU.BROCHURE.pdf0 90 11 864 864 AND 020 412 64 864
